

SP PORCELANOSA

## S+ LINE

Less is more is the keynote of this series. With a sturdy aluminum profile, in chrome or matte black finish, S+ Line incorporates a soft close cushioning system and magnetic closure, for greater watertightness.

# Harmony and functionality

These aspects have been considered to develop a simple product with aesthetic sophistication, adaptable to any type of space.

Opening and closing system assisted by ultra-smooth rolling carriages to avoid knocks.

SystemGlass easy-cleaning treatment.
