ATTICA BLACK EDITION

A shower enclosure that combines simplicity and functionality with delicate sophistication in a new matt black finish that emphasizes its clean graceful lines to elegant effect.

Thanks to its pure lines and the harmonious smooth rectangular design of its different components, this shower enclosure is an innovative solution, able to satisfy the most demanding users.

Matt black

Fittings made of brass in a matt black finish, guaranteeing optimum safety and resistance to wear and tear and corrosion.

Attica 9

With its pivotal hinges, a smooth opening and closing system is ensured. Because the hinges and fastenings are at the level of the glass, they are easy to clean, with no build-up of dirt.
