

NEO

SHOWER ENCLOSURE

SP

PORCELANOSA

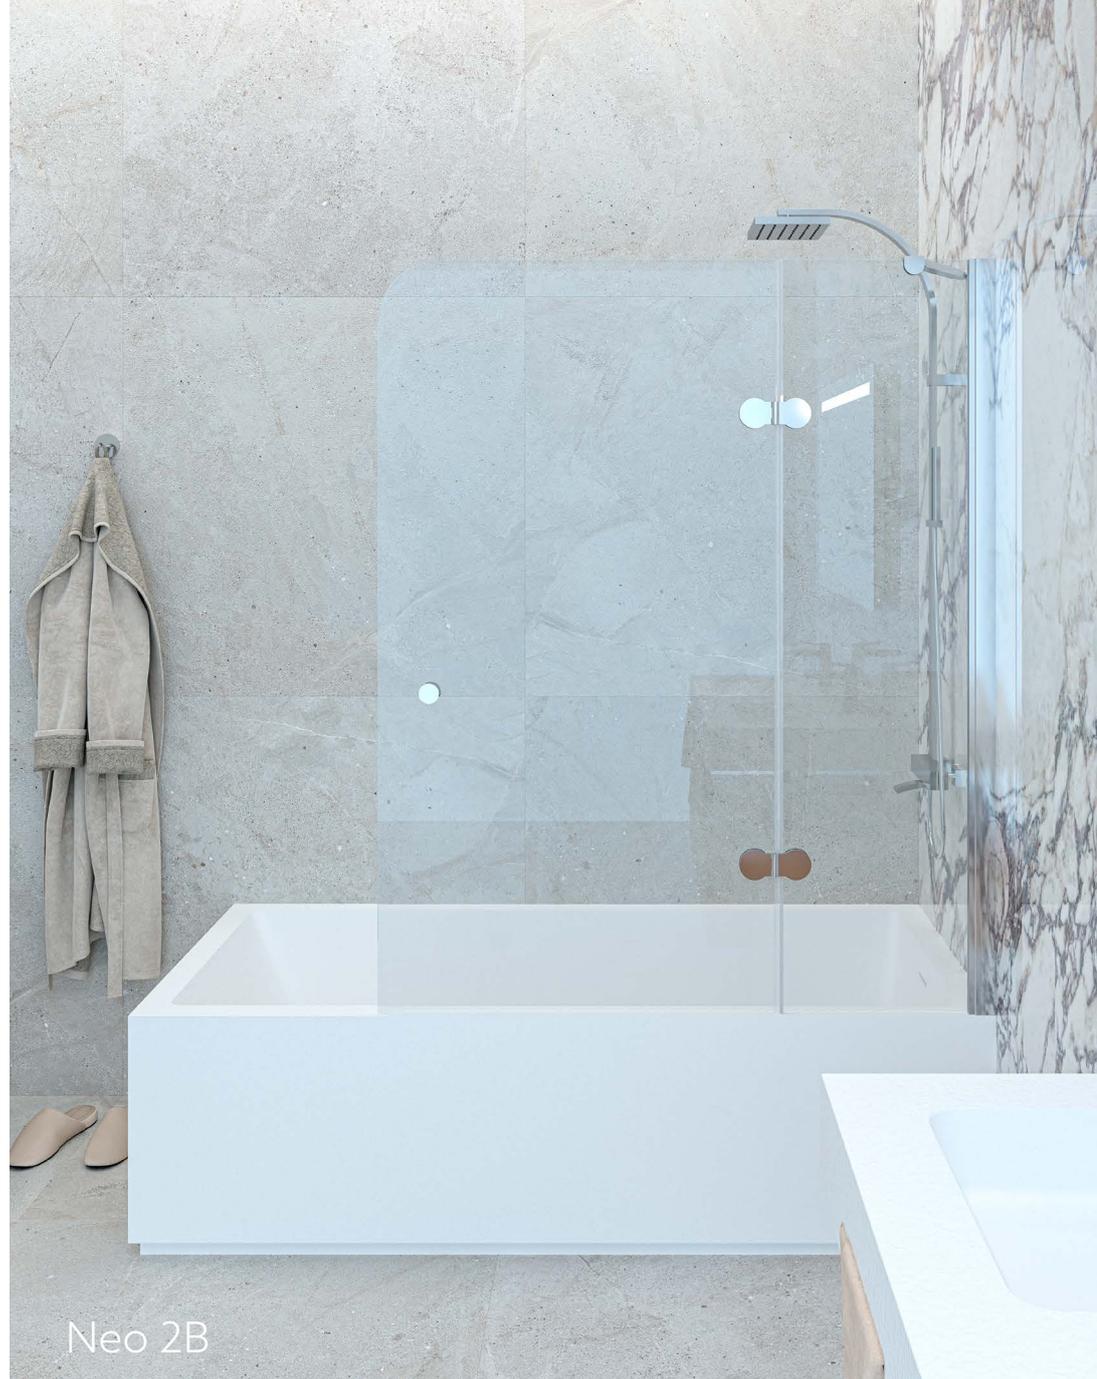

# NEO

Neo, in chrome finish, is designed without upper profiles, which lightens the look of the room. Versatility, design and lightness in a shower enclosure that fits in any bathroom.

Wide range of models that provide versatility and adaptation to any bathroom space.

Maximum safety tempered glass of 8 mm, which complies with the EN-12150 standard.  
At the same time, it incorporates as standard the System-Glass treatment that reduces the adhesion of dirt and limescale.

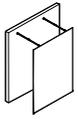

### **SystemGlass**

The design of the hinges allows 180° opening.  
The extensible and adjustable tensors allow to overcome any obstacle in the bathroom.
